**Join our three-week course to help mothers and daughters understand and deal with changes that take place during puberty and adolescence.**

By learning together, young women (10-12 years) and their Mothers can strengthen their relationship.

Topics include:

- Physical, psychological and emotional changes that take place during puberty and adolescence
- The physiology of menstruation and pregnancy
- Practicing better communication
- Fostering positive self-esteem
- Body image and the impact of the media on girls
- Relaxation strategies for mothers and daughters
- Bullying and cyber-bullying

This course is very popular. Enrolment and payment is required before bookings can be confirmed.
